Schedule of the Bill

(1)	(2)	(3)	(4)
Vote No.	Service or Purpose	Supply	Appropriation in Aid
	<i>Recurrent Expenditure</i>	KSh.	KSh.
317 R01	The amount required in the year ending 30th June, 2018 for the expense Office of the Governor, County Administration Including salaries, general administration and planning for Headquarters, Kisumu Central, Kisumu East, Kisumu West, Seme, Nyando, Muhoroni and Nyakach	428,113,117	NIL

Hon. Samo (Chairperson, Committee of the Whole Assembly): Thank you Mr. Clerk. Hon. Members, we are now in the main schedules and I would like to propose a question that 317R01 be part of this Bill?

Hon. Arao: Thank you Mr. Chairman. I would like to bring to the attention of the House that we know that in the whole world there is no document that is 100% perfect and what we are doing is that we are behind time and I would implore Members that we read through the entire document and pass it so that we can move to where we are expected to be. Mr. Chair, this kind of side shows will consume much of our precious time and that is my humble suggestion.

Hon. Samo (Chairperson, Committee of the Whole Assembly): Hon. Arao, I tend to believe that you have been furnished with the copy of this bill at some point?

Hon. Arao: Yes I do.

Hon. Samo (Chairperson, Committee of the Whole Assembly): That form part of the business that we are deliberating here...

Hon. Arao: Mr. Chair, I am not in any way objecting the process but what I am trying to put across is that you commenced reading to the House clause by clause and I believe that where you have left the Clerk should take over because I am aware that some members have cited some amendments to be made and that is my point.

Hon. Samo (Chairperson, Committee of the Whole Assembly): Well Hon. Member you will be allowed...

Hon. Arao: Mr. Chair, I am saying that those who wants amendments to be brought now, we are running out of time and we are all aware that this document has passed some stages and Members were involved and we need to pass this document and put it to work.

Hon. Samo (Chairperson, Committee of the Whole Assembly): Noted Hon. Arao.

Hon. Samo: Thank you. Yes Hon. Steve.

Hon. Steve: Thank you Chair. I want us to look at the Bill because it won't take us much time. As the Clerk was taking us through the document, you realize that we have vote number 317 R05, which has already been read. I want us to look at that. It falls under recurrent expenditure which is basically taking care of personnel emoluments and also maintenance and operations.

There is very little I can add on that because we had looked at it as a committee and therefore I would urge the House that the figures on personnel are already pre-determined. That R01 which is for the Office of the Governor, County Administration and the supplement under that will appear on 317 D01 which is on page 4. Let us look at that because there are two sides, one is the development proposal and the recurrent.

Under that part for the Recurrent Expenditure it is Kshs.428, 113,117.00 and on the same under development which is 317 D01, it is Kshs.83, 518,641.00. Mr. Chair, I would request that we look at the two so that when we go to R02, we discuss it with D02. Meaning we shall be through with the entire department.

Hon. Samo: Thank you Hon. Steve for your guidance. We can make it be part of our discussions, that, we read it concurrently under the development voted then we move to another department. Yes Hon. Okumu.

Hon. Okumu: Mr. Chair, I just wanted to remind Hon. Arao that when the Speaker is talking he needs to sit down. That is well spelt in our rules and procedures. Thank you.

Hon. Samo: Thank you. That is well captured. Honourable Members, if we are to adopt the strategy, we should read the two parts concurrently so that we save on time. Such that we are done with it because the Chair has also read for us 317R10. Any input? May I therefore put a question that the vote head 317R01 be part of the bill?

(Question put and agreed to)

Let us precede Mr. Clerk. Kindly, Honourable members let us concentrate on whatever is being read by the clerk because I will only be taking opinions on the parts read before putting a question.

317R02. The amount required in the year ending 30th June, 2018 for the expense Office of the Governor, County Administration Including salaries, general administration and planning for Headquarters, Kisumu Central, Kisumu East, Kisumu West, Seme, Nyando, Muhoroni and Nyakach. The amount to be appropriated is Kshs. 656,966,603.

Mr. Chair page 4, 317D02 The amount required in the year ending 30th June, 2018 for development, Ward Development Fund and pending bills expenditure for Finance and planning for sub counties including Kisumu Central, Kisumu East, Kisumu West, Seme, Nyando, Muhoroni and Nyakach.

Hon. Samo: I now want to put a question that under the Recurrent Expenditure 317 R02 and the Development part of it that is 317 D02 be part of the Bill. What is it Hon. Steve?

Hon. Steve: Mr. Chair, I have an amendment on that part. The words Ward Development Fund should read Grass root Development Support Program. I wish to bring to the attention of the members that under this vote 317 D02 is where the amount Kshs.351, 000,000 is anchored and each shall have Kshs. 10,000,000 for same program. Thank you.

Hon. Samo: Thank you. Yes Hon. Ken.

Hon. Ooko: I just want to add something little to what Hon. Steve has said. Under that program we have got Kshs.351 million and when you reduce it by 10% and divide it by the 35 wards then it gives you 9 million.

Hon. Samo: Hon. Steve you had some amendments which have not been seconded. Kindly get a seconder before we move on to the next step.

Hon. Steve: May I request Hon. Olale to second.

Hon. Olale: I stand to second. Thank you.

Hon. Samo: May I request the Clerk to read as amended before I put a question.

The amount required in the year ending 30th June, 2018 for development, Grass root Support Development Program and pending bills expenditure for Finance and planning for sub counties including Kisumu Central, Kisumu East, Kisumu West, Seme, Nyando, Muhoroni and Nyakach and the amount remains Kshs. 978,339,927.

Hon. Samo: May I now put a question that part 317 R02 as read together 317 D02 with that an amendment be part of the bill.

(Question put and agreed to)

Hon. Samo: Proceed Mr. Clerk.

For the Recurrent Expenditure, 317 R03 The amount required in the year ending 30th June, 2018 for salaries and expenses of Agriculture, livestock, Fisheries including general administration and planning for Governance, Kisumu Central, Kisumu East, Kisumu West, Seme, Nyando,

Muhoroni and Nyakach. That is Kshs. 656,966,603. Under Development Expenditure, the amount required on the same is Kshs. 134, 916, 875.

Hon. Samo: Any amendment on the same? I now put a question that 317 R03 and 317 D03 be part of the Bill as read.

(Question put and agreed to)

Hon. Samo: Proceed Mr. Clerk.

For the Recurrent Expenditure, 317 R04. The amount required in the year ending 30th June, 2018 for salaries and expenses of Education, Youth, Cultural and Social services including general administration and planning for: Governance, Kisumu Central, Kisumu East, Kisumu West, Seme, Nyando, Muhoroni and Nyakach. That is Kshs. 354,045,445. Development Expenditure. The amount required in the year ending 30th June, 2018 for salaries and expenses of Education, Youth, Cultural and Social services including general administration and planning for: Governance, Kisumu Central, Kisumu East, Kisumu West, Seme, Nyando, Muhoroni and Nyakach. 317 D04 is Kshs. 160, 508, 160.

Hon. Samo: Thank you. Any amendment on that vote? Yes Hon. Steve?

Hon. Steve: Thank you Chair. I have an amendment on vote 317 D04 with regards to the figures. We had initially proposed that we have Kshs. 40,000,000 and under that Kshs. 1,000,000 be allocated for Vocational Training Colleges. There was also another proposal in the road maintenance program which we had also proposed the same figure. Due to the fact that our revenue had gone down, the figures were reduced by Kshs. 20 Million. So that gave us a figure of Kshs. 140,508,160. That indicates that our figure of 1 Million would go down by Kshs. 500,000. Thank you.

Hon. Samo: Yes Majority Leader.

Majority Leader (Hon. Kenneth): Probably Mr. Speaker, the Chair has in depth that there are some issues on the pending bills. These bills were found in 317 D02 which we have already adopted. My concern though is, does that therefore presuppose that the figures in the pending bills remain as been suggested?

Hon. Samo: Thank you Majority Leader. Respond to that Hon. Chair for Budget.

Hon. Steve: Thank you. That was a slip of the tongue. We had to reduce the proposed Kshs. 40 million to Kshs. 20 million so that other funds like Road Maintenance Fund can also be created. I might have mentioned the pending bills in the process of justifying the action by mistake. May I request Hon. Khan to second?

Hon. Khan: Thank you. I rise to second amendments made in 317 D04.

Hon. Samo: Thank you. I now want to put a question for vote number 317 D04. The amount required in the year ending 30th June, 2018 for development expenditure and education fund for Education, Gender, Culture and sports for Sub Counties including Kisumu Central, Kisumu East, Kisumu West, Seme, Nyando, Muhoroni, Nyakach. The amount to be appropriated should be Kshs. 140,508,160 be part of the Bill.

(Question put and agreed to)

Hon. Samo: Proceed Mr. Clerk.

Recurrent Expenditure. 317 R05. The amount required in the year ending 30th June, 2018 for salaries and expenses of Tourism, Trade and Heritage Including general administration and planning for: Governance, Kisumu Central, Kisumu East, Kisumu West, Seme, Nyando, Muhoroni, Nyakach. The amount is Kshs. 41,325,959. 317 D05 For Development Expenditure amount required in the year ending 30th June, 2018 for salaries and expenses of Tourism, Trade and Heritage Including general administration and planning for: Governance, Kisumu Central, Kisumu East, Kisumu West, Seme, Nyando, Muhoroni, Nyakach the amount is Kshs. 153, 502,302.

Hon. Samo: Thank you. Any amendment? Yes Hon. Steve?

Hon. Steve: I have an amendment on that part. We also amended the figure for the development to go down by Kshs. 5 Million. The reason was to look for more funds to create Road Development Maintenance and the figure on advertisement of tourism would now be taken down by that amount. It would now read Kshs. 148,502,302.

Hon. Samo: Yes Majority Leader.

Majority Leader (Hon. Kenneth): Thank you. I want to second but before I do that, I want the Chair to assure us that the reduction as read will not affect the operations in that department. Thank you.

Hon. Steve: Thank you. Every scenario was looked into so that we don't affect the operations of other departments. The budget has to be balanced and there are certain thresholds that have to be met.

Majority Leader (Hon. Kenneth): Chair with that assurance made, I second. Thank you.

Hon. Samo: I now want to put a question that vote 317 R05 read together with 317 D05 as amended be part of the bill?

(Question put and agreed to)

Hon. Samo: Proceed Mr. Clerk.

Recurrent Expenditure. Vote 317 R06. The amount required in the year ending 30th June, 2018 for salaries and expenses of Lands, Housing and Physical Planning, including general administration and Planning for: Governance, Kisumu Central, Kisumu East, Kisumu West, Seme, Nyando, Muhoroni and Nyakach. The amount is Kshs. 26, 701,431.

For the Development Expenditure, vote 317 D06, the amount required in the year ending 30th June, 2018 for salaries and expenses of Lands, Housing and Physical Planning, including general administration and Planning for: Governance, Kisumu Central, Kisumu East, Kisumu West, Seme, Nyando, Muhoroni and Nyakach. The amount is Kshs. 176,130,412. Thank you.

Hon. Samo (Chairperson Committee of the Whole House):

317 D06 The amount required in the year ending 30th June, 2018 for development expenditure for Lands, Housing and Physical planning for Sub Counties including Kisumu Central, Kisumu East, Kisumu West, Seme, Nyando, Muhoroni and Nyakach.....	176,130,412
--	-------------

I now say that the above is the 317 D06 as read and now be part of the Bill. Proceed Hon. Chairperson.

Hon. Owiti (Chairperson Budget and appropriations committee): Thank you Chair and Hon. Members. In the Department of Lands, Housing and Physical Planning we had proposed that the figure Kshs.176, 130,412 as the Budget of that Department but after close scrutiny, it was realized that to allocate more funds to other areas of priority like Water and Roads, it was decided that we reduce that figure by Kshs. 7,000,000 and that figure is amended to read Kshs. 169,130,412 instead of Kshs. 176,130,412.

Hon. Samo: Yes Hon. Majority:

Hon. Kenneth (Leader of Majority): In the Bill we have Muhoro and it is supposed to be Muhoroni. So can it be amended to read Nyando, Muhoroni and Nyakach. Otherwise I second.

Hon. Samo (Chairperson of the Whole House): Can we get the first seconder Hon. Steve. The funds were reduced from Kshs. 176,130,412 to Kshs.169,130,412 then let us get the seconder from the Leader of Majority.

Hon. Aslam: Thank you chairman, I do rise to second 317 D06 instead of reading Kshs.176,130,412 it should read Kshs.169,130,412.

Hon. Samo (Chairperson of the Whole House): I have been advised that we have to dispense with this one first. That vote number 317 D05 as read and as amended.

(Question put and agreed to)

Hon. Samo (Chairperson of the Whole House): It was read as Muhoro which means a different place. The seconder for this please. Yes Hon. Oraro I have realized that you are very keen and very present. 317 D06 instead of 317 D05. Can I now get the seconder, yes Majority Leader? It has now been seconded by Hon. David Arao. May I now put a question that the vote head 317 D06 has been amended to read Muhoroni instead of Muhoro.

(Question put and agreed to)

Hon. Samo (Chairperson of the Whole House): Yes Hon. Leader of Majority, do you have an issue.

Hon. Kenneth (Leader of Majority): We have only adopted 317 D06 and not 317 R06.

Hon. Samo (Chairperson of the Whole House): We have adopted all of it together. Hon. Leader of Majority I know you are a very busy man so you could be thinking of so many things at the moment. Continue Mr. Clerk.

317 R07	The amount required in the year ending 30th June, 2018 for salaries and expenses of Roads, Transport and public works, including general administration and planning for Governance, Kisumu Central, Kisumu East, Kisumu West, Seme, Nyando, Muhoroni, Nyakach.....	175,855,502

---------	--	-------------

Hon. Samo (Chairperson of the Whole House): Hon. Members, should I now put a question that vote head 317 R07 as read together with 317 D07 be now part of this Bill. Yes Chairperson of Budget.

Hon. Steve: Thank you Chairperson and the Hon. Members, if you remember in the discussions of the Budget and Appropriation Committee report, we had suggested that and unanimously resolved that we would have Road maintenance fund which will go a long way in helping the

County to maintain the existing access roads within the Wards. We had allocated an additional Kshs 40,000,000 which was not reflected and which we did not know where it would come from as at the time of publication of this Bill. I wish to propose that an amendment be made to this figure of an additional Kshs 40,000,000. The figure for this should now read Kshs 439,070,308. With this we believe and trust that each and every ward shall benefit to the tune of Kshs 1,000,000 so that the access roads are not left unattended. Thank you Hon. Chair.

Hon. Samo (Chairperson of the Whole House): Thank you Chairperson Budget, we have received an amendment on this vote head. Do we have a seconder for the same? Yes Hon. Aslam Khan

Hon Aslam: Thank you Mr. Chairman, as it has just been proposed, for the purposes of road maintenance that falls under D07 on transport and roads, I rise to second the same amendment of Kshs. 40,000,000 towards road maintenance. Thank you Hon. Chair.

Hon. Samo (Chairperson of the Whole House): Thank you. Now the vote has been amended.

Hon. Victor Rodgers: Thank you Mr. Chair, I do ask that Jaramogi Oginga Odinga Referral Hospital be included. May I ask Hon. Judith Ogaga to second?

Hon. Ogaga: I second.

Hon. Samo (Chairperson of the Whole House): Well Hon. Members, vote number 317 D08 has been amended to include the Development of Jaramogi Oginga Odinga Referral Hospital. I therefore put a question that vote head 317 D08 and 317 R08 as read together be part of this Bill.

Hon. Steve: Thank you Chairman and Hon. Members, on vote head 317 D09, I rise to put a proposal or an amendment that the figure Kshs. 135,806, 237 be raised to Kshs. 140,806, 237. Mr. Chairman, that amendment is in line with our resolutions as a committee. We are aware that the County acquired a new Rig Machine and we only saw it prudent to allocate more funds to the Rig machine in terms of purchasing piping materials and other equipment to support the operations of this Rig machine. This figure that had been published included Kshs.5, 000,000 against our resolution of Kshs.10, 000,000 thus the difference of another Kshs. 5,000,000. We hope that this Rig machine will be used to drain more bore holes for clean and safe water. Thank you.

The Supplementary Appropriation Bill, 2018 makes provision for giving statutory sanction for public expenditure for the year ending on the 30th June, 2018, on the basis of the estimates of expenditure 2017/18 (Recurrent) and the estimate of expenditure 2017/18 (Development) and for the appropriation of those amounts. Chairperson committee of the whole House (Hon. Samo): We have concluded the Budget and we want to ask Hon. Steve Owiti to say something.

Hon. Steve: Thank you Chair, I have a small amendment on page 6 with regards to the chairperson of Budget and Appropriation Committee, there is an (s) missing so that it can read as chairperson, budget and appropriations committee.

Chairperson committee of the whole House (Hon. Samo): This is very good and the (s) has now been added Hon. Owiti. Can we have a seconder for that? Yes Hon. Olga.

Hon. Olga: Thank you, I stand to second the amendment.

Chairperson committee of the whole House (Hon. Samo): Can we continue.

The first title: This Act may be sited in the Kisumu County supplementary Appropriation Bill 2015.

Hon. Steve: The figure that I gave out initially was correct. As we were summing up the figures, we realized that there were some amendments that we had met which had not been captured in the Bill. So whatever I had read initially was the correct figure.

Chairperson committee of the whole House (Hon. Samo): Honourable Members that did not change according to what Hon. Owiti has said and we therefore have no question on that. Can we continue?
